

List of Contract information in October - March 2014 fiscal year

No	Date	Name of Item/Title	Quantity	Unit	Classification			Contractor	Original Bid System
1	October 2014	Inductive radio base station device	1	set	Supplies forming railway facilities	Train protection and control facilities	Signalling,safety or traffic control equipments for railways and tramways (which is electrical or mechanical (including electro-mechanical))	—	—
2	October 2014	Platform screen doors (half height) system	1	set	Supplies forming railway facilities	Train protection and control facilities	Signalling,safety or traffic control equipments for railways and tramways (which is electrical or mechanical (including electro-mechanical))	—	—
3	December 2014	Auxillary power system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
4	December 2014	Evacuation ladder	960	units	Supplies forming railway facilities	Common goods	Goods which consititute a part of civil engineering construction	—	—
5	December 2014	Propulsion system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
6	December 2014	Traction motor	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
7	December 2014	Door system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
8	December 2014	ATC・ATS system (On-Board)	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
9	December 2014	Programmed traffic control system	23	sets	Supplies forming railway facilities	Train protection and control facilities	Signalling,safety or traffic control equipments for railways and tramways (which is electrical or mechanical (including electro-mechanical))	—	—
10	December 2014	Traffic operation command system	180	sets	Supplies forming railway facilities	Station and halt	Signalling,safety or traffic control equipments for railways and tramways (which is electrical or mechanical (including electro-mechanical))	—	—
11	January 2015	Rail grinding vehicle	1	car	Rolling-stocks and supplies for rolling-stocks	Rolling-stocks	Railway or tramway maintenance or service vehicles	—	—
12	January 2015	Auxiliary electrocal sysytem	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
13	January 2015	Train control information management system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
14	February 2015	Substation equipment	1	set	Supplies forming railway facilities	Electric power substation and other facilities	Electric transmission facility and products which consititute a part of the electric line facilities	—	—
15	February 2015	Train control information management system	2	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
16	February 2015	Train control information management system	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
17	February 2015	Propulsion system	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
18	February 2015	Rail	2419	unit	Supplies forming railway facilities	Railway tracks	Railway or tramway track construction material, other material specialized for jointing fittings or fixing rails	—	—

List of Contract information in October - March 2014 fiscal year

No	Date	Name of Item/Title	Quantity	Unit	Classification			Contractor	Original Bid System
19	February 2015	Coupler	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
20	February 2015	Visual information system on train	13	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
21	February 2015	Air conditioning equipment	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
22	February 2015	Bogie	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
23	February 2015	Visual information system on train	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
24	March 2015	Braking system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
25	March 2015	Power collector	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
26	March 2015	Parts of braking system	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
27	March 2015	Visual information system on train	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
28	March 2015	Optical digital multiplex transmission equipment	1	set	Supplies forming railway facilities	Station and halt	Signalling,safety or traffic control equipments for railways and tramways (which is electrical or mechanical (including electro-mechanical))	—	—
29	March 2015	Air conditioning equipment	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
30	March 2015	Passenger announcement system	21	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
31	March 2015	Solid rolled wheel	29	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
32	March 2015	Auxillary power system	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—
33	March 2015	Traction motor	8	sets	Rolling-stocks and supplies for rolling-stocks	Supplies for rolling-stock	Parts of railway or tramway locomotives or rolling-stock	—	—

※The classifications below include categories which follow.

- Supplies forming railway facilities ... Rails and other track material, Signal and communication systems, power transmission systems, Machinery etc
- Rolling-stocks and supplies for rolling-stocks ... Passenger car components
- Supplies and equipments for maintenance ... Rails and other track material, Signal and communication systems, power transmission systems, Machinery etc
