**Six transport companies & organizations have joined forces to offer great deals to visitors in Tokyo!**  
**Introducing four new tourist ticket sets with bus or train tickets from Narita & Haneda Airports to central Tokyo and tickets for all Tokyo Subway lines.**

Keisei Electric Railway Co., Ltd, Keikyu Corporation, Airport Transport Service Co., Ltd, Keisei Bus Co., Ltd, Tokyo Metropolitan Bureau of Transportation, and Tokyo Metro Co., Ltd will soon offer new custom ticket sets for tourists. On Tuesday, July 15, 2014 sales will begin of ticket sets which include a Tokyo Subway Ticket for unlimited rides on all nine Tokyo Metro lines and on all four Toei Subway lines, and a ticket for trains connecting Narita or Haneda Airport to central Tokyo. Additional custom ticket sets which include tickets for buses connecting Narita or Haneda Airport to central Tokyo will be available from Thursday, July 31.

The Tokyo Subway Ticket, which has been available since April 2014, is a ticket which allows overseas and domestic tourists to enjoy unlimited rides for 1, 2 or 3 days on the 13 Tokyo Metro and Toei Subway lines.

By offering ticket sets which combine a Tokyo Subway Ticket with tickets for the trains and buses which provide convenient access from Tokyo's gateway airports Narita and Haneda, we hope that even more tourists will enjoy convenient and more affordable travel in Tokyo.

Please see the attachment for details regarding the newly available ticket sets.
