

2024 No. 10	Non-rail business	Development of Commercial Facilities at Stations
	Basic Course	

Underground station commercial facilities

Commercial facilities under elevated railways

Commercial facilities in station building

KEY POINT

By learning about the necessity and examples of business scale expansion of commercial facilities that are underground, above-ground, under elevated railways, and inside station buildings, you will be able to use them as a reference when considering the development of commercial facilities at existing and new stations.

OVERVIEW

We will introduce why commercial facilities are necessary in stations, examples of business scale expansion, and also an overview of planning, development, and operational management for commercial facilities underground and above-ground stations, under elevated railways, and station building complexes.

LECTURE CONTENTS

1) Necessity of station commercial facilities

- Necessity of business development of station commercial facilities for railway operators

2) Business scale expansion of station commercial facilities

- Development of station commercial facilities since about 90 years ago
- Business scale expansion of station commercial facilities since about 30 years ago
- Further business scale expansion of station commercial facilities since about 20 years ago

3) Overview of planning, development, and operational management of station commercial facilities

- Concept, development plan, tenant management, etc.
