# Training consulting

From an overview to detailed content, Tokyo Metro can provide assistance that meets your needs.  
We are looking forward to hearing from you about your training consulting needs.

Technical assistance for the establishment of training centers

Development of training programs

Customized online courses

Instructor training

Technical assistance for operations and maintenance

## Technical assistance for the Philippines

In the Philippines, we took part in “the Technical Assistance Project to Establish the Philippine Railways Institute” to establish the institute and formulate the scheme to train personnel, in turn improving their managerial capabilities, in order to establish training system for urban railway staff.
